

Reached out to Lydia King, Quantitative Data Analyst @ CarDash for info interview

Jr Data Analyst

BOSTON, MA BUSINESS INSIGHTS FULL-TIME

Reached out to Ana Sofia Wacker, BI and Analytics manager. Message: Hi Ana! I was impressed with your ascension into analytics management, and as a new student of data science I would love to hear more about your time with Framework and your own journey into analytics. Would you be free for a 20 minute call next week to share your experience? Thanks - John
